PETITION FOR EXTENSION OF TIME

TECHNOLOGY CENTER 2800

Dear Sir:

An amendment in response to the December 4, 2002 Office action was filed by facsimile on May 2, 2003. That amendment should have been accompanied by a Petition and fee or fee authorization for two months' extension of time; however, owing to a miscalculation of dates, the amendment was accompanied by a Petition for one month's extension of time and a fee authorization therefor.

To fill the deficiency, Applicant hereby requests a **second month's extension of time**, up to and including May 5, 2003, in which to respond to the December 4, 2002 Office action.

This Petition is being filed within the second month following the shortened statutory period set by the Examiner (May 4, 2003 having fallen on a Sunday) for response to the Office action. The Commissioner is hereby authorized to charge any fee[s] that may be required in connection with the filing of this paper, and to credit any overpayment, to Deposit Account No. 50-0869 (Docket No. CPAC 1001-1US). In the event the Examiner may determine that additional fee[s] may be required in connection with the filing of the Amendment, the Commissioner is authorized to charge any additional fees, and to credit any overpayment, to Deposit Account No. 50-0869 (Docket No. CPAC 1001-1US). A duplicate of this paper is enclosed.

Respectfully submitted,

Bill Kennedy
